

# Memorandum

**Department:** International School of Engineering, Chulalongkorn University Tel.02-218 6422-24

**Ref. No.** 64.17/ 3625

**Date:** 21 November 2023

**Subject:** Publicity of Chulalongkorn International School of Engineering International Admission 2024 and Scholarship Opportunities for Foreign Students

---

To Whom It May Concern:

- Attachment:**
1. Chulalongkorn University Announcement Regarding Applications for Students in the Bachelor of Engineering (International Program), Faculty of Engineering for Academic Year 2024 (International Admission)
  2. Announcement of ISE Scholarship for Foreign Students of Admission 2024

Chulalongkorn University is now accepting applications for students in the Bachelor of Engineering (International Program), Faculty of Engineering for Academic Year 2024 (International Admission). Chula International School of Engineering has five programs in undergraduate level, namely, Nano Engineering, Automotive Design and Manufacturing Engineering, Information and Communication Engineering, Aerospace Engineering, and Robotics and Artificial Intelligence Engineering. The application consists of 2 options. Applicants must choose to apply only one option either Option 1 Test Score or Option 2 Portfolio. The admission requirements can be found in attachment 1.

Foreign students (non-Thai nationality) with outstanding academic performance can apply for scholarship to study at ISE. There are 2 types of ISE scholarships for a foreign student, a full scholarship and a tuition scholarship which will be supported for 4 years of study. Applicants must indicate their intention to apply for financial aid on the admissions application. Admitted applicants to the Bachelor of Engineering (International Program) for the Academic Year 2024 (International Admission) will be eligible to be considered for a scholarship from the International School of Engineering according to the Announcement of ISE Scholarship for Foreign Students of International Admission 2024 (Attachment 2).
