Dear Sir,

Development of 2 x100 MW Floating Solar Power Plants - Samanalawewa Reservoir

Ceylon Electricity Board has advertised an EOI on the National News Papers on the 2nd of November 2023. The EOI calls for suitable developers with the financial & technical ability to develop 2 projects of 100 MW each on floating solar basis on the CEB owned Samanalawewa Reservoir.

I'm attaching here with the advertisement published calling for EOIs for your kind attention to be shared with Diplomatic Missions & Commercial Counselors to attract suitable foreign direct investors for the two projects.

Thank you

Kanchana Wijesekera
 Minister of Power and Energy
